Comments:

Dear Ngoc-Yen T. VU

Do you require any further action by us following your USPTO Notice of Allowability for our patent application 10/626,888 and our Oct. 19/10 acceptance of all your recommended amendments to the claims made in this Notice of Allowability?

Please let us know of any help we can be regarding the issuance of this patent.

With many thanks for your understanding and help to us in this application.

Sincerely,

Frank E. Bunn
